2nd INTERNATIONAL MEETING RGA / GRACIE ELITE 2025

PRESENTATION:

Due to the great success of the first INTERNATIONAL MEETING RGA – GRACIE ELITE 2018, the Rilion Gracie / Gracie Elite Association feels obliged to continue this moment of integration among everyone, with the aim of strengthening our unity and maintaining the direction we must follow in our Academies (Schools).

Following the standard of the previous event, we will have a grand seminar led by all Professors who will receive their degrees in the Black Belt and by our Master Rilion Gracie.

Subsequently, all our Black Belts will be recognized and awarded with their respective degrees, earned through their history of dedication and commitment. We will also promote the new Black Belts of the Association, as we did in 2018.

In this second edition of the INTERNATIONAL MEETING RGA – GRACIE ELITE, we will offer some improvement courses for our Professors, Instructors, and Athletes, with the purpose of qualifying them to better serve our students in their needs.

To bring the event to a memorable close, our Master Rilion Gracie will receive his 8th degree on his belt from all of us, his Students and Disciples.

Long live the Master!
